WHO WE ARE

WE DON' T EXIST TO PLEASE OUR CUSTOMERS.
WE EXIST BECAUSE OUR CUSTOMERS ARE PLEASED

A small dark purple arrow pointing upwards and to the right.

Ardh Al Aamal Alum. & Glass Cont. L.L.C., was established in 2006 and has quickly evolved to become one of the leading Contractors of Aluminum & Stainless Steel Composite cladding works in UAE.

A small dark purple arrow pointing upwards and to the right.

Aluminium & Stainless steel composite panels itself has unique properties determined by its wide range of colors, finishes and uses. We are known for building façade cladding, curtain wall cladding, interior walls and ceiling decorations, advertising signs etc., these kind of works are carried out by us throughout the world and belong to a new era of building decoration.

A decorative image in the bottom right corner showing a close-up of a textured surface, possibly a building facade or a natural rock formation.

▲ We have aided main contractors and building owners by providing a synergistic approach to aluminium composite cladding by combining design, engineering, technical assistance, fabrication and installation.

▲ We create a linear, simplified, cost effective to high quality exteriors and interiors. Aluminium composite cladding work shines bright when attention to detail is given, which is one of our core value.

▲ We also do installations of glass partition & stainless steel fabrication and installation works.

▲ We are committed to provide high quality services to meet the expectations of our customers, it is to achieve these ends that this policy has been prepared.
